STATEMENT ESTABLISHING UNINTENTIONAL DELAY

Dear Sir:

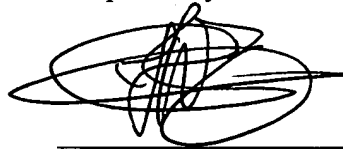

Applicants respectfully petition for revival under 37 CFR §1.137(b) of the above-referenced patent application that was abandoned unintentionally.

In the course of an internal file transfer at Applicants' offices, Applicants' patent application file was misplaced. Applicants requested a copy of the application records from the United States Patent and Trademark Office. However, a copy of the case was unobtainable because of reported temporary unavailability at the USPTO. As a result, Applicants were unable to respond to the office action mailed on October 23, 2002 and, therefore, the patent was abandoned unintentionally.

Applicants respectfully request that this petition for revival be granted because of unintentional abandonment. Applicants further request that the filing date of August 10, 2001, be maintained for this application.

The Commissioner is hereby requested to charge any additional fee or credit any overpayment to deposit to account number 10-0750/ORT1478/JJiT.

Respectfully Submitted,
